India Trip Report

During my recent trip to India I was able to meet the senior leaders of our house church planting projects in Dharmapuri and Salem Districts in India.

I am happy to report that during the past two months ten new house churches have been started in villages that were previously unreached.

Also, thirty new believers received water baptism and have started discipleship training.

There are now more than one thousand people meeting in our 96 house churches in Dharmapuri and Salem Districts. Praise the Lord!

India Girl's Home

While I was in India I also visited our Girl's Home in Earupalli, India.

We are providing food, clothing, shelter and education for five girls that we have rescued from infanticide.

I am happy to report that all of the girls are happy, healthy and beautiful.
