The Next Big Move for Steve and Carolyn

Note: This letter contains important information regarding significant changes that we are about to make in our ministry. We ask you to please read it to the very end. Thank you.

As you know Carolyn and I have been in the USA trying to raise much needed financial support for our ministry.

We continue visiting churches, building Kingdom relationships and sharing the ministry vision everywhere we go.

In the meantime, I have traveled back and forth to India numerous times to meet with our key leaders and to follow-up on our various ministry projects.

By the grace of God, we have managed to keep all of our projects in India going and growing during this time.

Now, despite the weak economy, we believe God is saying to us that this is not the time to stop or pull back but instead to expand our ministry into regions beyond India. Places like Malaysia, Indonesia, Vietnam, Ethiopia and more.

We see nearly endless opportunities for us to do in these countries what we have been doing in India the past twelve years. At the same time we expand our area of influence we will continue growing our ministry in India.

In order to facilitate this we are planning to relocate our ministry base from Chennai, India to Penang, Malaysia. From there we will still be able to reach into India and the rest of South Asia, as well as Asia, Africa and beyond.

With this in mind, Carolyn and I are planning to visit Penang, Malaysia to explore the possibility of relocating there. We plan to do this on our way back from India in April 2010.

Our goal then would be to relocate our ministry base to Penang in early summer of 2010.

As it was when we moved to India in 1997, we don't know how all of this is going to work out but we feel we must try. We believe God is requiring us to make another giant step of faith.

And as before, we can not do this alone. We need others to take this giant step of faith with us.

As we make the commitment to go and serve we need partners who are willing to make a similar commitment to pray for us and support us financially.

Will you make the commitment to pray for us on a regular basis?

Will you also make the commitment to support us financially on a monthly basis?

Will you consider giving \$100 or \$50 per month to help us reach unreached people in these new places? Even as little as \$30 a month (that's less than a dollar a day) will still have a tremendous impact.

If you are already supporting us we say thank you and ask you to please consider increasing your monthly support by 20% to help us reach beyond India.

To effectively reach these new countries we estimate our monthly support must double this year.

If you are not able to support us monthly would you to consider giving a special gift of \$1000 or \$500 to help with our travel and relocation expenses.

For example, the cost of airline tickets alone is more than \$4000.

We estimate the cost to relocate our ministry to Penang, Malaysia at more than \$30,000. We'll know more after our visit in April.

Please pray and ask God what He would like you to do. Then inform us of your decision by email.

This is a very important step because it allows us to plan our budget and begin making arrangements.

Please feel free to contact us if you need more information or have any questions.

Thank you for your prayers and consideration.
