Dear Friends and Partners,

Carolyn and I thank you for believing in us and standing with us in faith. Your partnership has helped us train thousands of Bible school students and house church leaders in India. As a result, thousands of people are currently meeting in house churches all over India.

We now believe God wants to take our ministry to a higher level. We believe He is saying now is the time to expand our ministry beyond India. To accomplish this, we are planning to move our ministry headquarters from Chennai, India to Penang, Malaysia.

This move will allow us to continue our work in India and position us to start house churches throughout South and Southeast Asia. Our target date for this move is July 1, 2010.

In South and Southeast Asia there are 1.5 billion people in 3659 unreached people groups that have never heard the gospel. It will take all of us working together in partnership to reach them.

Sadly, out of every dollar of Christian giving to all causes only half a penny goes toward pioneer church planting among unreached people groups.

We are willing to go. We calculate our moving expenses to be \$30,000. This includes airline tickets, apartment security deposit, furniture and a car. We also estimate our monthly support must increase an additional \$5000 per month.

We are asking you to send us. Please pray and consider making a significant pledge to help us move to Penang. This pledge could be spread out over the next two or three months.

We also ask you to please consider supporting our ministry on a monthly basis or increasing your monthly support so we can begin training house church leaders in these new places.

To help us plan, please submit your pledge online at <http://tiny.cc/MakeAPledge>. You can also send your pledge information by email.

We are excited about what God is doing around the world and honored that He would consider using us to help bring in a great harvest of souls.

Thank you for your prayers and consideration.

Your missionaries,  
Steve and Carolyn
