Brazil On The Move...

Guys Rejoicing Returning From Weekend Retreat...

It was such a incredible thing to see all the young Pastors and young congregations on this trip to Brazil.

To me this is the hope of Brazil! There has to be a transfer to the next generation ready to take over the church, and it appears Brazil may have caught on to this mindset.

Another awesome sight was the 69 men

who returned from a weekend at the rehab ranch. This is a place where actually men and women have been getting off drugs and alcohol.

Cared or helped little by society, the church has stepped up and made a difference!

As they marched into the Sunday night service it truly was a huge celebration by everyone present. Literally the place was electrified.

Brazil is a huge harvest field and God has given me great favor with some leaders that have opened up their networks for me to come in. I am so grateful.

You make a difference as you pray and as you give ! Thank you for your love, your generosity and your heart for the world!

WE ARE BETTER TOGETHER

Something To Ponder:

Back to Asia...

When you receive this I will be making my third trip to Asia for 2010.

We have so many friends and opportunities in this region of the world. Nearly half of the world’s popula-

tion lives here. What a huge harvest field!

On this journey I will be in Malaysia and Indonesia.

We still have ongoing ministry here whether we are

here in body or not.

Also look forward to seeing Steve and Carolyn Chulick and where they have settled in Penang.

Thank you for sending us ..

Back Page Story Headline

This story can fit 175-225 words.

If your newsletter is folded and mailed, this story will appear on the back. So, it's a good idea to make it easy to read at a glance.

Caption describing picture or graphic.

A question and answer format is a good way to quickly capture the attention of readers. You can either compile questions that

you've received since the last edition of your newsletter, or you can summarize some generic questions that are frequently asked about buying or selling a home.

You can also use this space to remind readers to call you when they are thinking about buying or selling a home.

If space is available, this is a good place to insert a clip art image or some other graphic.
